ALL INDIA COUNCIL FOR TECHNICAL SKILL DEVELOPMENT

अखिल भारतीय तांत्रिक कौशल्य विकास परिषद

This is a preparation training program for "Artificial Intelligence". This is a comprehensive course designed by IIT Bombay Alumni Group to introduce school students & their parents to the field of artificial intelligence. During the program, students will gain practical experience and be guided by industrial experts while they learn and implement various projects on simulation. This program is perfect for young learners looking to gain an edge in the fast-changing field of artificial intelligence.
