Ramanujan National Maths Challenge

A National Maths Scholar Search Program 2026

**Prize Money -
Upto Rs.2 Lakhs**

**National
Certificate - For
Every
Participant**

**National
Trophy**

National Medal

Please Note - All participants will receive a participation certificate, even if not selected in the final. These certificates are highly regarded in India and are awarded by AICTSD at the national level. The certificate holds substantial value and has the potential to significantly boost your academic and professional career.

Syllabus - Class 4

1. **Addition & Subtraction (4-digit numbers)** – Learning to add and subtract large numbers correctly.
2. **Multiplication (2–3 digit × 1 digit)** – Multiplying bigger numbers by a single digit.
3. **Division (basic)** – Understanding simple division and sharing equally.
4. **BODMAS (Intro Level)** – Learning the correct order to solve math problems.
5. **Estimation & Rounding** – Making numbers simpler to get quick, close answers.
6. **Word Problems** – Solving real-life math questions using these operations.

India's Biggest Maths Challenge

Through this competition, we are searching for the " **National Maths Scholar – 2026** " from the student community.
